

ICG International Consulting Group

Retroactive Utility Refund Recovery.

ICG International Consulting Group, with its team of auditing specialists, has been successful in recovering retroactive refunds for over 90% of our clients.

No Up-Front Fees.... Risk Free!

Utilizing the experience of our auditing specialists, we evaluate invoices for past errors, overpayments, and incorrect rate structures. This is accomplished without any investment or risk on the part of our client.

Put our 26 years of experience to work for you.

Since 1989 ICG International Consulting Group has recovered millions of dollars for clients that range from small manufacturing facilities to Fortune 500 Companies.

We file all appropriate paperwork.

Our results-oriented approach ensures that all potential savings and refund opportunities are identified and diligently pursued. We file all appropriate paperwork with your utility company for any refunds or credits that you qualify for.

Our audits result in a refund... Or you owe us nothing.

ICG Utility Auditing is paid for performance not for promises with our shared credit or refund fee structure. If we do not uncover any savings or refund opportunities to implement, we receive absolutely **no fee**. Our fee of 50% is paid exclusively from implemented refunds or credits **after** the refunds and/or credits are correctly applied.

Seeing is believing.

Click on the checks in the Automotive, Biotech, Pharmaceutical, Manufacturing, Plastic Industry, Paper Industry Recovery Buttons on our home page at www.icg-auditing.com, and you will see copies of our refund checks that we recover every day for our clients nationally. Pretty exciting isn't it?

We do not share in any future savings. You keep 100% of all future savings (hundreds even thousands of dollars!)

Finally, if you've run out of ways to add to your bottom line, why not put ICG's team of experts to work for you today? Your retroactive refund or credit, plus future savings (yours to keep) on your utility bills, can be our next success story and boost your bottom line with newfound profits.

Take action now!

Simply fax to 407-359-7719 one month's utility bills for each facility and the attached Utility Agreement and our Experts will get to work for you immediately!
